

## Ön Söz ve Kitabın Kullanımı

Bu kitapta yer alan özgün sorular ve özgün deneme sınavları, ÖSYM'nin hazırladığı YÖKDİL sınavlarında son yıllarda sorulan soruların zorluk derecesindeki artış esas alınarak hazırlanmıştır. Sınav gruplarında uzun zamandır ders veren ve aynı zamanda sınav hazırlayan yetkin bir yazar kadrosu tarafından sorular kaleme alınmış ve kontrolleri yapılmıştır.

Konu seçimleri, soru türleri, soru uzunlukları ve kökleri, seçenek uzunlukları, doğru ve yanlış seçenekler için kelime seçimleri, soru türleri sıralaması, soru özelinde seçeneklerin zorluk seviyesi ve genel olarak sınav zorluk seviyesi bakımlarından yapılan son dönem sınavları esas alınmıştır. Sınavda gelme ihtimali hiç olmayan veya çok düşük olan kolay sorulara veya daha önce hiçbir sınavda örneği olmayan aşırı zor sorulara yer verilmemiştir. Gerçekçi bir yaklaşımla ÖSYM sınavlarına en yakın bir üslupta ve zorluk seviyesinde sorular hazırlanmış ve sınav kriterlerine uygun olan sorular seçilerek deneme sınavları oluşturulmuştur.

Sınavda 80 soruya verilen cevapları optik forma işaretlemek beş ila sekiz dakika arasında zaman almaktadır. Bu durumu hesaba katarak süreyi verimli değerlendirmeniz gerekmektedir. Lütfen cevaplarınızı optik forma verilen süre içinde işaretlediğinizden emin olunuz.

Kitabı daha verimli kullanmak için soruları çözerken zaman tutmanızda fayda vardır. Her soruya en az iki dakika düşmektedir. Ancak kelime ve dilbilgisi soruları için en fazla bir dakika ayırıp okuma gibi uzun sorular için soru başına iki ila üç dakika süre ayırmak daha mantıklı olabilir.

Soru çözümü bittikten sonra muhakkak soruları analiz etmenizi tavsiye ederiz. Doğru cevapları bilerek işaretlediğinizden ve elediklerinizi bilerek elediğinizden emin olmanız gerçek sınavda panik yapmadan soruları çözümlenize yardımcı olacaktır. Tüm sınavları acele ile bitirmek yerine her sınavı en az bir kez tekrar okuyup analiz ederek ilerlemeniz yanlışlarınızı düzeltmenize imkân verecek ve bilgilerinizin pekişmesi bakımından daha sağlıklı olacaktır.

Yaptığınız soru çözümü sonuçlarına göre dil bilgisi bölümü soruları türünde çok daha fazla alıştırma yapma ihtiyacı hissederseniz açıklamalı çözümleri olan [THE LAST TOUCH](#) kitabımızdan istifade edebilirsiniz. Kelime okuma odaklı alıştırma yapmak için [Yökdil Kategori Odaklı Kelime Okuma \(Fen-Sağlık-Sosyal\)](#) kitaplarımızdan yararlanabilirsiniz.

Kitabın yayına hazırlık sürecinde kontrol ve düzeltmelere destek olan Sedat ÇALIŞKAN'a, Mahir ERSEÇEN'e de emekleri için teşekkür ederiz.

[YÖKDİL SOSYAL ÖZGÜN SORU BANKASI VE DENEME SINAVLARI](#) kitabımızın yabancı dil alanında çıktığımız yolda size yol gösterici olmasını ve hedeflerinize ulaşmada kolaylaştırıcı bir rol oynamasını temenni eder, yabancı dil sınavlarında başarılar dileriz.
